

College GO! Week 2014 Morning Announcements

for High Schools

Monday

How does \$1 million sound? Pretty good, right? Did you know that someone with a college degree will earn, on average, \$1 million more over a lifetime than someone with just a high school diploma? It's never too early to start planning for education beyond high school. Visit CollegeGoWeekIndiana.org to get tips on what you can be doing each year of high school, and keep an eye out for College GO! Week events happening all week long at school. Plus, you can enter to win \$529 for college at CollegeGoWeekIndiana.org. \$529 is a great start towards getting your \$1 million.

Tuesday

Hey, freshmen—how many of you can get to New York City without a map, GPS or your phone? Probably none! And you won't reach your college and career goals if you don't have a high school Graduation Plan. Do you know which classes you plan to take, and which diploma you'll earn? Your high school diploma matters when it comes to college! Make sure you'll be ready to apply for college. Talk to your school counselor or check out CollegeGoWeekIndiana.org for more details.

Wednesday

Good morning, sophomores! Quick quiz: are you on track for your dream career? Here's a fact: by the time you graduate, nearly two-thirds of new jobs will require a college degree. College is your ticket to success, whether you choose a bachelor's degree, an apprenticeship program, a community college or another option. Find your path during College GO! Week. Visit LearnMoreIndiana.org, or talk to your teachers or counselor.

Thursday

Hello, juniors! I hear some of you are in the driver's seat now. I've got a question: would you buy a car you've never driven? I don't think so! And you shouldn't attend a college you haven't visited. Visiting campuses is the best way to know where you'll succeed. Come talk to your school counselor about getting passes for college visits, or plan a trip on this weekend. You can find all Indiana college visit information at CollegeGoWeekIndiana.org.
